

Meeting called to order by Charlie Tanck at 7:30 PM

Membership 454 members, no change from last month. There were 20 people at tonight's meeting.

Financial - we owed > \$30,000 to national for the Super Tour, we had already sent the money. National billed us twice, check had been sitting in new Road Racing manager's office, who doesn't start until next Monday.

All bills have been paid for solo and racing. We are still waiting for final report for Super Tour.

Picnic is August 20th. Colby's will supply pulled pork and chicken and people are asked to bring a dish to pass. Membership anniversary awards will be chosen by awardees who are at the picnic.

We will be having a membership meeting in August.

There was a Zoom meeting last month about the RunOffs. Goal is to get down to 18 classes. Divisional series will no longer be used for qualification for RunOffs. Flagtronics are required for the runoffs this year and Super Tours next year. We don't know how this going to work as cost will make it impossible for regions to break even.

Effective December 1st online certification for new Flaggers is required. For 2025 National and Senior licensed flaggers must be certified online as well.

Region will have NASCAR tickets available July 17th. If you are interested contact Charlie.

Board of directors elections are around the corner. RE, Secretary and two board members are open. Mark Kruger and Jim Hoelscher's terms are ending.

Solo - they are halfway through the season National Tour has reached maximum entries. Overall things are okay, July 14th is the next event. Solo National Championship event in Lincoln, Nebraska Labor Day week has sold out with 1300 drivers signing up within three hours of registration opening.

Race, the Glen Region's Julish Sprints – Saturday's weather was awful, Sunday was great. Finger Lakes ran tech for the Glen. Registration was difficult working in the new building.

Fun One is August 17th and 18th. Registration opened up today, we currently have 16 entries. We are looking at running National Time Trials during next year's Fun One.

Meeting adjourned at 8:05 PM

Here is the list of membership anniversary awardees – we have not done membership awards in three years so the last includes everyone for the last three years:
