

## Do it again – Williamson

Time to head to Williamson to 'Do it again'. This time, we'll visit Orbakers Drive-in, see all the apple orchards, pass Orbakers Farm Stand, cruise by the lake and run back to the drive-in again. Come join us for some fun. Feel free to bring your lowered miata, this is all paved roads.

Cost: The entry fee is \$20/car plus \$15 for each weekend membership

This rally is a regularity contest as follows:

You follow the course, maintaining speeds below the posted speed limit. As you follow the route, you will be timed at locations unknown to you. All checkpoints will be closed (you do not stop at them).

The course is approximately 30 miles and should take about 55 minutes to complete.

Teams repeat the course route at 3:00 + car #.

For the second time around the route, checkpoint signs will be out where the cars are timed again. The score will be how close to the minute and hundredths is to the time you passed the first loop (if you did it the first time, you should be able to do it a second time, right?).
